D make investigation in their respective discrete have been many fixing in the colonial fixed and to report on the following points:

There have been many fixings in her colonial istration that Americans do not like. They do istration that Americans do not like fixed her marrying off her daughters by unless substantially correct or are compared and. Thefare the pulltimed accounts of the distress not like for marrying off her dangues.

Thefare the pulltimed accounts of the distress not like for marrying off her dangues.

Thefare the pulltimed accounts of the distress not like for marrying off her dangues.

On the first marrying of the distress not like the marrying of the dangues. for England is not an absolute mous chy, and

that of the queen.

Hence we sak that her record as a save sign be retgled in the balance without prejudice, and the good she has done remembered as well as the faults of her reign. She has filled the sis years and thirty days of the third Henry.

ored to teach the noblity of England some We loves in his grave better than she can d ever greatest and richest legacy to his many children. the house of Ponte Corvo, was crowned the year before her birth and reigned to two ty-five years afterward. Looking all over the world, own; and the son of that flery old monarch is from the low estate of an adventurer to a postimmiliated by the valor of the stordy red coal

built on her own rivers. She has seen Deibi and Bemarus placed within an bour of fondom by the said of the telegraph. The can behold process. The consul at a consul at the consultant that the consultant the consultant that the consultant t able to bring to perfection. In a word, she has To doubt many will find two English-speaking nations, and felt that in America's insohanical triumphs England was stands funds, and often nod without her share of conscious pride.

So let us scho the shout which rings upward comes while from the porcelain towers of the Taj Mahal and the frowning of fix of Quebec; hop fields of Kent, dawy with the in case of prings; from the paim groves of Bormuda and the sturdy cake of Salistung; and from Nanatmo's lonely bay and Hult's busy harbor, averywhere rises the welcomn city of "God save the queen." Handmaiden of progress and de-leader of religion, leag may she be the last of England's queens.

There has been much inquiry of late couwell go the United States, at headquarters yesterday an Unknowner re-poster learned to the work will be commenced poster learned that work will be construct as soon as the working plans can be pleied.
